

As we celebrate Christmas, we really experience true love, be it in the vessel, in a far away place or just being here. Jesus is the reason for the season and he is the epitome of true love.

MV CORAL SEAS

Your browser may not support display of this image. Your browser may not support display of this image. Christmas is a time of giving, forgiving, and sharing. For those who are far away from their loved-ones. It is still celebrated with a thought of their presence. Just the thought of being loved because of the sacrifices, especially those who are onboard is already a feeling of happiness and joy to each family being left behind.
